

FACT SHEET

COMPANY PROFILE

TPI Composites, Inc. (TPI) is a global company focused on innovative and sustainable solutions to decarbonize and electrify the world and accounted for approximately 33% of all sold onshore wind blades on a MW-basis globally excluding China in 2022. TPI delivers high-quality, cost-effective composite solutions through long term relationships with leading OEMs in the wind and automotive markets. TPI is headquartered in Scottsdale, Arizona and operates factories in the U.S., Mexico, Türkiye, and India. TPI operates additional engineering development centers in Denmark and Germany and global service training centers in the U.S. and Spain.
